

Hello!

Our brand new [Pitch in a Pound Virtual Donation Bucket](#) is **NOW LIVE** and we can't wait to see what our North Devon community have planned for this month's event! We really hope that this will allow you to feel a little closer together and have some fun after a difficult start to the year.

There are two really easy ways you can take part, ANY TIME throughout February, with the resulting monies helping us to continue caring for the growing number of patients and families needing our support.

#### Host A Virtual Fundraiser

Click here for your virtual fundraiser to be linked directly to our [Virtual Donation Bucket](#). Why not get your colleagues/friends together for a virtual quiz ([you can download our ready-made quiz here!](#)) or hold a competition for the best fancy dress during a Zoom call? You could even set your colleagues a virtual combined fitness challenge to complete throughout February, perhaps running, jogging or cycling to reach a target distance...

You can be as creative as you like with your virtual fundraiser and we have plenty of ideas in our [downloadable fundraising pack](#) too. Above all we want you to have fun safely, knowing the difference you are making to your local community. Don't forget to tell us how you're taking part and send pictures for our online gallery to [fundraising@northdevonhospice.org.uk](mailto:fundraising@northdevonhospice.org.uk).

#### Or Donate Here

Whatever you feel you are able to at this time. It could be the cost of your daily coffee, car parking for work, or the cost of your usual commute? Every penny really does help us to continue caring for North Devon, now more so than ever before.

**Together, we will make a difference.**

With thanks and best wishes,

Claire and all in the fundraising team

North Devon Hospice, Deer Park, Barnstaple EX32 0HU.
