

## Parking Charges in December 2023

Torrige District Council has confirmed the “small businesses free parking day” across all Torrige District Council car parks, will be on Saturday 9th December 2023, therefore parking will be free in both Sydney House and Barley Grove car parks in Great Torrington on this day.

Great Torrington Town Council has ten hours remaining of its allocated free parking allowance for 2023. Members have agreed to use these hours in **Sydney House Car Park only** during popular retail hours between 9am and 12pm on Saturdays during December.

This means that parking in Sydney House car park will be free from 9am until 12 midday on those Saturdays, and remember it is already free from 12 midday every week!

See below for full details of parking changes for Saturdays in December:

- Saturday 2<sup>nd</sup> December **Sydney House ONLY 9am onwards FREE**
